Help, Governor Ted Strickland, Executive Director of the Sierra Club Carl Pope, District 1 Director of the United Steelworkers Dave McCall, Executive Director of Green Peace John Passacantando, Vice President of the Ohio AFL-CIO Dave Caldwell, and Midwest Director of the NRDC Henry Henderson, raise a wind turbine on the grass of the Statehouse and demand good green jobs

Join Workers and Environmentalists as we **unite** to demand, Green Jobs that help to reverse Climate Change, provide Ohioans with affordable clean energy, and trade policies that protect workers and the environment.
